(NAAC accredited grade B)

Press Release

Dr Ibrahim (Gastroenterologist) presently working in Kingdom of Saudi Arabia delivered a mind blowing lecture in the conference hall of Govt. Degree College (Boys) Sopore on wednesday 19th July 2017. The theme of the topic was “**Healthy Life**” wherein Dr Ibrahim emphasized on various methods by which a person will live a healthy life. He thoroughly connected every scientific observation with the verses of holy QURAN. Dr Ibrahim also threw light on his latest book “**Bumpy Roads**”. All the students were very enthusiastic during the whole lecture and discussed many aspects of biological encounters faced by a person in daily life. The session was chaired by Prof. (Dr.) Mushatq Ahmad Lone principal Govt. degree College (Boys) Sopore. Prof. Mairaj Ahmad Khandwa, Prof. Abdul Rashid Dar, Prof. (Dr.) Shamim Ahmad, other faculty members along with various alumni of the college (Dr. Hafizullah, Mr. M. Shaban and Mr. A. R. Kabli) were present during the lecture. The proceedings of event were coordinated by Prof. A. R. Dar (NSS officer) with the technical support of Dr. Nasarul Islam. Prof. M. A. Khandwa concluded the session by presented the vote of thanks.
