Status of sports facility in the college.	6.09	19.13	23.48	32.17	19.13
Average Ranking in Percent	**8.01**	**16.63**	**26.33**	**28.66**	**20.57**

Analysis

The analysis of the above data reveals that majority of the students rank the facility as:

➢ Majority of the students have ranked the facilities in the college in very good category followed by good and excellent category. There are only 8.01 % of the student's responses which tell us about the poor facilities in the college.

➢ Status of library resources in the college , Status of audio visual facility in the college and Impression about the carrier counseling cell of the college are dominantly falling in the **Excellent and Very Good Category**

➢ Status of library resources in the college, Availability of class rooms and infrastructure in the department, Views on the supporting staff/non-teaching staff of the college, Status of sports facility in the college as **Good**

➢ Availability of class rooms and infrastructure in the department and Canteen facility is dominant in in **Average Category**

➢ However, Facilities available in the college canteen is a lone parameter which is dominant in **Poor Category.**
These are some of the highlights which need to be addressed on priority basis for a better academic atmosphere in the college.
