Two Day Awareness cum Career counseling programme on Schemes of Ministry of Minority Affairs, GOI, New Delhi was held at Nund Reshi Convention Centre, SKUAST-K, Shalimar Srinagar, J&K On 6<sup>th</sup> - 7<sup>th</sup> April 2021 (Tuesday/ Wednesday). The workshop was organized by Department of Management Studies, Government Degree College (Boys) Sopore funded by Ministry of Minority Affairs GOI with the objective to create awareness and promote self-employment tendencies among students. The seminar was organized under the patronage of Dr. Farooq Ahmad Malik (Principal, GDC Sopore), Director Colleges Dr. Peerzada Mohammad Yousuf was chief guest on the occasion. In the inaugural address Principal of the college stressed on the fact that such camps boost the morale of the students and to choose entrepreneurship as career through these various schemes. He also put emphasis on the skill enhancement among the students to make them employable in near future.

Prof. M.Y. Peerzada, Director Higher Education in his key note address stressed on the skill development of the students at college level and to make them employable. He said department of higher education is working in close consultation with NSDC, Sector Skill Councils and other institutions for skill development of college students. The skills to be provided to the students have been standardized with industry by identification of qualifications packs and skill gap analysis.

The speakers in the workshop were invited from different departments like JKEDI, Horticulture, Floriculture, Department of Industries, Livestock and Handicrafts department etc. The speakers briefed about the startup schemes available for the prospective entrepreneurs and stressed upon the students to visit their offices for availing the benefits of various startup schemes. Vote of Thanks was convened by Dr. Syed Ajaz, Department of Geography. He thanked all the dignitaries, department faculties, students and the organizers. The program was concluded by Dr. Owais Charag, Assistant Professor, Department of Management Studies after he thanked all the speakers for their enriching talks. More than 200 students and teachers participated in the seminar. He also thanked one and all who contributed by any means in making the event a great success.
