

## Conference on realizing Women's Rights by IQAC and WDC

A conference on the rights of women and on realizing their potential and rights was organized by IQAC in collaboration with WDC, Women Development Cell of the college.

The programme took place on 01-06-2018.

The programme started with a welcome address by the honorable principal of the college. The participants included, among others, dignitaries and some well-known female known personalities from the various factions of the society.

In the programme, it was discussed the rights of women were being usurped by one way or the other. Their potential was being ignored and their contributions were being belittled.

In this regard, several people talked about the various problems that women face in efforts to make progress in their careers and lives. It was discussed that unless the society took it as a matter of grave concern and utmost importance, the issue is likely to have the status quo.

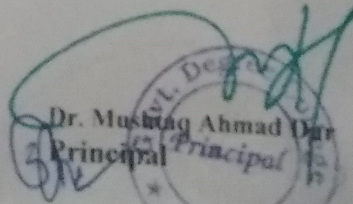

Various govt. initiatives, in this direction, were brought to the notice of the public by making mention of them and by making explicit the need and importance of them.

The conference concluded with a vote of thanks.
