

REPORT

One Day Programme on *Entrepreneurship and start up Development* organised by Deptt. of management studies on 22.07.2019 at College Auditorium Hall.

1. The inaugural session was addressed by Prof. Farooq Ahmad Malik, Principal Govt. Degree College Boys Sopore. The worthy Principal thanked organising committee for organising the workshop on the theme. He also highlighted the need of generating awareness about various schemes implemented by the State Government and Central Government regarding entrepreneurship development and startup.
2. Dr. Owais Charag, Head Department of Management Studies, highlighted the need for the skill and technical education among students who are pursuing under graduate and post graduate programme in Higher Educational Institution. He said the focus of the colleges must be on technical education that could help us to generate employment. More than 3 lac applications were received for a 4th class post in the UT of J&K and even PhD holders applied for such positions which do not commensurate with their educational qualifications. So the need of an hour is that we need to explore all the resources available in order to help our students to have a dignified employment and in that direction Govt. Degree College Sopore is taking a lead by introducing vocational programmes through community college Scheme that will help and serve the people of Sopore area.
3. Prof. Tariq Ahmad Wani, HOD Botany, expressed privilege to be part of this gathering and said we all know awareness and career counselling can ensure effective and implementation of programmes and schemes on ground. I am sure as this workshop progresses, it will lead to better understanding of the on-going schemes and their broader impact. It will help us understand the need of target population and also suggest practical suggestions to monitor these schemes and programmes.
4. Prof. Peerzada Sajad, faculty from the Department of Management Studies, highlighted the various schemes implemented by state government in J&K regarding entrepreneurship development and small scale business enterprise development.

The vote of thanks was given by Prof. Tariq Ahmad Wani.
