

Office of the Principal GOVT. DEGREE COLLEGE SOPORE

PRESS RELEASE

On the Eve of "National Science Day" Govt. Degree College Sopore organized one day seminar in collaboration with Indian Science Congress Association (ISCA) Srinagar chapter in the college auditorium on 28th of February 2017 on the theme "Science & Technology for the specially abled Persons". The chief guest of the function was Prof. Ulfat Jan, department of Zoology Kashmir University, who is also convener of (ISCA) Srinagar chapter. In her address, she strongly deliberated on the theme. Prof. Gh. Mustafa Shah, department of Zoology University of Kashmir also highlighted the importance of the day with special reference to the theme. Worthy Principal Dr. Mushtaq Ahmad Lone welcomed the guests from various colleges and Higher Secondaries and also thanked (ISCA) Srinagar chapter for organizing the event in the college. Among the speakers from various colleges and Higher Secondaries who presented their papers through power point presentation were Prof. Mohd Amin Malik, Prof. Mohd Feroz and Prof. Mehraj Ud Din of Degree College Sopore, Prof Fayaz Ahmad of Degree College Kupwara, Prof. Ab. Majeed Chalkoo and Athar Masoodi of Degree College Baramulla. Students speakers of various colleges and Higher Secondaries focused mainly on use of Science & Technology for specially abled Persons. The seminar was also attended by specially abled students of the college.

The proceedings of the programme were conducted by Dr. Shamim Ahmad organizing secretary of the seminar and the vote of thanks was proposed by Prof. Ab. Rashid Dar (Convener IQAC of the college).
