

One Day Awareness Programme
On
"Save the Girl Child"

One day awareness programme on "Save the Girl Child" was organized by NSS units of the college in collaboration with IQAC on 31 December, 2016. The main objective of the programme was to create awareness among the people about the importance of girl child. The bigger objective was to familiarize the students against the female feticide, a cancer for the society. There was a huge enthusiasm among the teachers and the students for the programme.

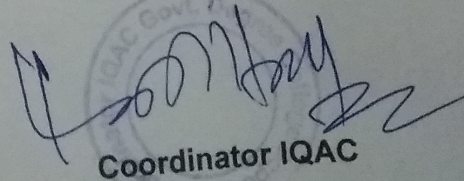

Prof. Abida Quansar, Assistant Professor, Islamic Studies expressed her thoughts passionately on the topic and shared concern. She also quoted the constitutional provisions for the safety and security of girls. She further elaborated that a girl is the one who plays many roles in our lives. She is our mother, our sister, our wife, our grandmother and many more. She is the cause of life, because of her we are in this world. Before a sister, a mother, a wife, she is a girl and if you are saving a girl you are saving your world. She explained that discrimination against girls in India has been going on since ages now. Even today, there are several sections of the Indian society where the girl child is treated as a liability. While several privileges are given to the boys; girls are often restricted to the confines of house and given very little or no opportunities to learn and grow in life. She emphasized the role of education is extremely important here and goes a long way in empowering women. And the process of education has to begin early in life. More and more girl children need to be sent to school provided quality and holistic education.

Prof. Mushtaq Ahmad Lone, Principal Govt. Degree Sopore thanked all the members for participating in the awareness programme.

The session concluded with the vote of thanks given by **Ms. Bilquees Rasool War** (Assistant Professor English).
