

"Talent Hunt"

Brief Report:

Talent Hunt programme was organized by Career Counselling and Placement Cell in collaboration with IQAC cell of GDC Sopore on 1 June, 2016. The main objective of the programme was to help the students showcase their hidden talent.

Many students participated in the activity and showcased their skills in singing, poetry, essay writing, painting, photography and quiz.

With a huge participation of students, the event gave every student and faculty, wonderful moments of enjoyment and relaxation. Every participant tried to perform their level best to entertain as well as showcase their hidden talent to the audience as well as judges. The faculties were astounded to see the amount of effort the students have put in their acts and wanting to rehearse at lunch times and after college. The judges were impressed by the quality of performances and their zeal to showcase themselves. They were all winners in that sense.

Prof. Mushtaq Ahmad Lone, Principal GDC Sopore concluded by saying that the confidence it takes to perform live in front of large audience cannot be underestimated.

The event was concluded by the vote of thanks delivered by Mr. Mohd. Ashraf Bhat, Assistant Professor English.
