

## REPORT

Report on One Day Programme on the theme “Women Rights are Human Rights” at College Auditorium Hall on 08.03.2020.

1. One day programme on “Women Rights are Human Rights” was organized by IQAC in collaboration with Women Development Cell of the College on 08.03.2020. The main objective of the programme was to create awareness among the people about the rights of women. The bigger objective was to discourage audience against the female foeticide, a cancer for the society. There was a huge enthusiasm among the teachers and the students for the programme.
2. Prof. Farooq Ahmad Malik, Principal Govt. Degree College Sopore presided over the inaugural ceremony of the programme.
3. Dr. Nusrat Aziz, HOD Physics, expressed her thoughts passionately on the topic and shared concern. She also quoted the constitutional provisions for the safety and security of girls. She further elaborated that a girl is the one who plays many roles in our lives. She is our mother, our sister, our wife, our grandmother and many more. She is the cause of life, because of her we are in this world. Before a sister, a mother, a wife, she is a girl and if you are saving a girl you are saving your world. She explained that discrimination against girls in India has been going on since ages now. Even today, there are several sections of the Indian society where the girl child is treated as a liability. While several privileges are given to the boys: girls are often restricted to the confines of house and given very little or no opportunities to learn and grow in life. She emphasized the role of education is extremely important here and goes a long way in empowering women. And the process of education has to begin early in life. More and more girl children need to be sent to school provided quality and holistic education.

Prof. Farooq Ahmad Malik, Principal Govt. Degree Sopore thanked all the members for participating in the awareness programme. The session concluded with the vote of thanks given by Dr. Ifat Bashir (Assistant Professor Sericulture).
