

Workshop on Intellectual Property Rights

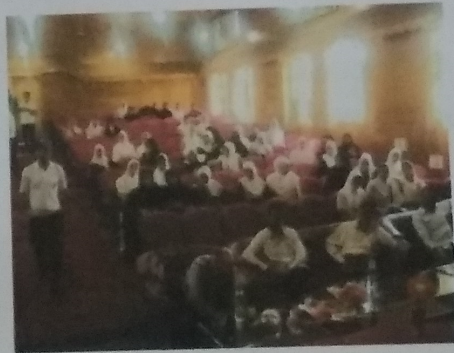

A special workshop was organized on the intellectual property rights by the IQAC of the college. The workshop took place on 25-10-2018. The workshop was aimed at spreading awareness about the concept, need and legalities of the intellectual property rights.

The workshop started with the principal of the college extending the warmest possible welcome to the expert Dr. Manzoor Ahmad Shah. The principal urged one and all to try to engage actively in the workshop and get the maximum possible benefit out of it.

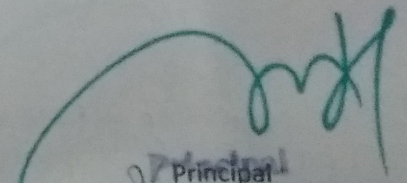

The expert Dr. Manzoor Ahmad, spoke on the basic idea of what intellectual property rights are. The expert spoke thoroughly on the need to understand, preserve and spread the ideas related to IPR. The expert spoke at length about the legalities of intellectual properties rights and the punishments that one incurs by the unauthorized use of someone else's rights.

The workshop concluded with the expert clearing the doubts of the participants by means of answering their questions.

A vote of thanks presented by Convener IQAC Prof. Meraj-ud-dn Khandvaw brought the desired end to the workshop.
