

Programme : Workshop on Jam and Jelly preparation.

**Brief Report:** The department of botany had organised workshop on Jam and Jelly preparation on 07/03/2018 for all the students. The programme was initiated by Head Department of Botany elaborating the term about jam and jellies preparation and types of jams. He said many times we purchased jam & jelly but these things we can prepare easily at home. He also showed how to make jam and jelly. 20 students participated in the workshop. The workshop was encouraging and helped the students to understand how to prepare jam and jelly. The students enjoyed this workshop by taking advantage and eating fresh prepared jam and jelly. Dr. Arshid Shabir, Assistant professor Department of Botany shared vote of thanks.
