

Cleanliness Drive

Cleanliness drive, tree plantation and distribution of sapling by the department of Botany and IQAC on the eve of world Environment Day on 21-03-2015.

Department of botany and IQAC organised Cleanliness Drive, Tree Plantation and distribution of plant saplings on eve of world environment day on 21st. March 2015. The main purpose of the event was to create awareness among the students regarding cleanliness and its benefits, active participation in plantation.

Under this program all the students from college participated. Teachers also played important role in this drive. As a part of cleanliness drive students along with staff cleaned the whole college campus.

Principal Govt. Degree College Sopore started the programme by cleaning a corner of the playground. Then the teachers and students followed the suit. Some students picked the brooms and started cleaning, others went to the playground and started picking wrappers lying scattered there. After collecting them they threw them into the dustbins.

Then all the students went for plantation in the campus where they participate with great zeal and enthusiasm. The college collected the 80 saplings from Forest department Barmullah.

After doing this job for three to four hours, all the students and staff assembled in the college conference hall, where they were also given refreshment in the form of tea.

There after the Principal of the college delivered the speech telling about the importance of sanitation and plantation. He also honoured the sweepers of the college for their noble job. In the end all the students took oath of keeping their home, locality and city clean.
