Subject: Execution of externally funded project - reg

Madam,

College of Temperate Sericulture, SKUAST-K has entered into MoU with your College for exchange of various programmes including imparting technical expertise to your students.

One of our Scientists namely Dr. Shabir Ahmad Bhat, Assistant Professor has bagged one externally funded Project titled "Screening of different insect pests of mulberry and other agricultural crops for pathogenic microbes and their cross infectivity to the Silkworm, *Bombyx mori* L". The concerned Scientist wants to execute his project in the Department of Sericulture of your College which will be the convenient place. You are as such requested to kindly accord permission for execution of the project so that work will be carried out in time.

Yours faithfully

M. F. Baqwal
