Subject: World Environment Day-2022

On the eve of world Environmental Day-celebrations, the Department of Environmental Science in collaboration with NSS wing of the college organized the series of events like Campus Cleaning drive on 4th of June, Painting competition on 6th June and student seminar on 7th June 2022. This year the theme was **"Only One Earth"**. The purpose of organizing different activates was to inculcate among students a sense of belonging towards the mother earth and to create awareness about the growing environmental crises faced by our planet earth and what possible measures we can adopt at local level to somehow work towards the betterment of the planet earth.

The program was conducted under the patronage of Prof. (Dr.) Salma Ahad, Principal Govt. Degree College Sopore. At the outset Prof. suhail Abdullah Malik, Assistant Professor Environment Science, spoke at length about

the growing problems of planet earth, why it matters and what could be the future course of action. Key Note address was delivered by Prof. (Dr.) Shamim Ahmad, Dean Faculty of sciences he addressed the students with respect to what role they can play in keeping view the planet earth healthy. This was followed by the student participation in painting and seminar. Students were judged by the jury members Dr.

Arshid Shabir, Assistant Professor Botany and Prof. Shamsul Din, Assistant Professor Psychology. Towards the end the certificates were distributed among students, in painting competition the first position was awarded to Aiman Mehraj, second position to Nuzhat Akhtar and third position secured by Zanib Bashir Mir. In seminar 1st, 2nd and 3rd positions were secured by Mehvish Nazir, Ather Amin and Rehana Habib respectively.

The event was moderated by Prof. Suhail Abdullah Malik while as the vote of thanks was presented by Prof. Shamsul Din.
