Report

Subject: - National Science Day #G20 campaign#

Today On 28th of February 2023 under the ambit of Azadi ka Amrit Mahotsav and India's G20 Presidency, National Science Day was Celebrated at Govt. Degree College Sopore. The Programme was organized jointly by the NSS units of the college, Department of Physics, Botany and Zoology under the patronage of the worthy Principal of the college Prof (Dr) Salma Ahad. At the outset of the programme Prof. Suhail Abdullah Malik, NSS program officer and Assistant professor in the Department of Environmental Science welcomed the faculty and students for being part of the programme and also spoke about the significance of this day and how science has worked towards in making human life better. Afterwards an expert lecture on the Raman Effect formulated by C.V. Raman and for which he was awarded Nobel prize, in honour of whom, The National Science Day is Celebrated was delivered by Dr. Bilal Ahmad Bhat, Assistant Professor in the Department of Physics. The resource person highlighted the physics of Raman spectroscopy and its application in field of medical science.

Afterwards the students visited the Museum in the Department of Botany. Prof Tariq Ahmad Wani, Head Department of Botany briefed students about the specimens present in the museum especially those related to ethnobotany. The students were also made aware about the working of instruments like laminar air flow and Fruit crusher.

It was followed up by a visit to Central instrumentation facility where Dr Asif Majeed briefed students about the working and purpose of instruments like Gel-Documentation system, PCR, Spectro-photometer and water bath.

Afterwards, the students visited the Museum in the Department of Zoology. Dr Yasreel Mustafa, Head Department of Zoology briefed students about the specimens present in the museum.

The programme was attended by large number of students and concluded successfully by vote of thanks given by Prof. Suhail Abdullah Malik in which he expressed his gratitude towards the College Principal for providing all the necessary support required for the programme and also expressed his thankfulness towards the Department of Physics , Zoology, Botany ,faculty members , students and NSS units of the college for making the event successful.
