

REPORT

SUBJECT: "Campus cleaning drive at Geo Science lawns# G20 "

Today on 27th of February 2023 campus cleaning drive was organised under the ambit of "G 20 Presidency" initiative of the Government. The Programme was organized by NSS units of the college under the patronage of the worthy Principal Prof (Dr) Salma Ahad. The NSS Program officers and NSS Volunteers of the college enthusiastically participated in cleanliness drive and removed the plastic waste/wrappers in the front lawns of Geo Science block. The importance of

cleanliness in our lives cannot be denied. Maintaining a clean environment is critical for the human health as well as for the existence of other life forms. A bad environment is solely responsible for spoiling the health of the people around. The purpose of the program was to work hand in glove with the Government of Jammu and Kashmir in creating awareness about G20 compain and making healthy and clean environment around.
