PRESS RELEASE

Today on 19th of April 2023 Department of Information Technology organized "CYBER JAGROOKTA DIWAS", in the virtual classroom of the college, the theme was "CYBER CRIMES AND ITS SECURITY". Dr. Wasim Akram Zargar Assistant Professor Department of Information Technology started the proceeding with a welcome note and put some light on Cybercrimes in day today's life. Then the Lectures were delivered by Sumaiya Showket 2nd semester students of IT department who explained what Cybercrimes are and then a student namely Falak Ashraf 2nd semester students of IT department gave a brief talk about different types of Cybercrimes after that Sehrish Manzoor 2nd semester students of IT department GDC Sopore explained security precautions of Cyber security. All the participants threw sufficient light on the judicious use of Cyber frauds, its types and Security measures, It was an exciting lecture on a popular theme that concerns all of us. They spoke about the history of the concept, traced the annals of the initiatives, and briefed of their benefits. The program was attended by a good number of faculty members and students. In particular, the success of the talk could be gauged by the questions that were posed towards the end of the talk. Dr. Wasim expressed his gratitude to the faculty members and the students for making the gathering a success. The vote of thanks was presented by Seerat a student of 2nd semester Information Technology GDC Sopore.
