

REPORT

SUBJECT: "Campus cleaning drive at front lawns of CR building:

Today on 4th of May 2023 campus cleaning drive was organised under the ambit of "G 20 Presidency" initiative of the Government of India. The Programme was organized by NSS units of the college in collaboration with Physical Education Department under the patronage of worthy Principal Prof (Dr) Salma Ahad. The NSS Program officer Unit IV Dr Zahoor Ahmad Makhdoomi, Dr Tahir Ramzan (PTI) and NSS Volunteers of the college enthusiastically participated in cleanliness

drive and disposed many dust bins filled with plastic waste/wrappers in the front lawns of CR building and Volleyball Court area. The importance of cleanliness in

our lives cannot be denied. Maintaining a clean environment is critical for the human health as well as for the existence of other life forms. A bad environment is solely responsible for spoiling the health of the people around. The purpose of the program as to work hand in glove with the Government of Jammu and Kashmir in creating awareness about G20 campaign and making healthy and clean environment around.
