

### Press Release

On May 17, 2023, the Department of Information Technology organized the “**WORLD COMMUNICATION DAY**”, under the ambit of G20 in the conference hall of the college. The theme was “**Role of Communication in G20**”. Dr. Wasim Akram Zargar, Head Department of Information Technology started the proceedings with a welcome note, and he shed light on what the concept of G20 is, and discussed its existence and mentioned the countries that constitute G20. Dr. Wasim Akram Zargar made the audience aware about the role of communication in the context of G20. He also explained the need of the formation of G20 and expressed happiness over the fact that the G20 summit is going to take place in the union territory of Jammu and Kashmir.

Afterwards, a presentation was made by, Falak Ashraf, a second semester student of the Department of Information Technology in which she made the audience aware about the importance of communication in today's world. The program was attended by worthy principal, Prof. (Dr.) Salma Ahad, a good number of faculty members, and students. An interesting interactive session and exchange of ideas took place between Principal madam, faculty members and students about the importance of communication in our lives at large. It was also

discussed that there is a paradigm shift from the means of traditional and modern means of communication. At the end of the programme, Dr. Wasim Akram Zargar presented a vote of thanks and expressed his gratitude towards the college worthy Principal madam, faculty members, students, and the technical staff for making this event possible and successful.
