No: DCS/2023/1217

Dated: 27/09/2023

NOTICE

The Ministry of Education's Innovation Cell (MIC), and the AICTE has launched the **Smart India Hackathon (SIH) 2023**.

In the last 6 years, SIH has evolved into the world's Largest Open Innovation Model to solve some of the pressing problems we face in our daily lives, thus inculcating a culture of product innovation and a problem-solving mindset. Moreover, the Hon'ble Prime Minister of India has applauded the SIH initiative on multiple occasions which has helped kick-start the hackathon culture in India. The previous editions of SIH have proven to be extremely beneficial for the students in establishing startups and employment opportunities in various organizations.

In this connection, the desired students of the college are invited and encouraged to take part in the hackathon to give vent to their talent. It is pertinent to mention that the participation may be done individually or in groups.

For registration, the interested students may contact Dr. Wasim Akram Zargar, head of the department of information technology by September 30, 2023.

Prof. (Dr.) Salma Ahad
