

NOTICE

This is for the information of all the students that Ministry of Environment, Forest and Climate Change (MoEFCC) is inviting innovative ideas and technologies through the initiative “**Ideas4LiFE**”. For participation you may register on the portal <https://ideas4life.in/registration> and convey the same to Head, Department of Botany. Best ideas will be selected and the winners will be awarded with **attractive prizes**. Guidelines are available on the same portal. Last date for submission is 15th October 2024.
