Awareness Program on Viksit Bharat @2047 at
Government Degree College Sopore
Promoting National Development and Engagement

Report

Date: 19th December , 2023

On the 19th of December 2023, an awareness program was conducted at Government Degree College Sopore within the framework of Viksit Bharat @2047. The program was orchestrated by the National Service Scheme (NSS) units of the college, under the patronage of the esteemed Principal, Professor (Dr.) Salma Ahad, and the co-patronage of Dr. Mairaj ud Din Shah (Head of Department of Physics). The event garnered an enthusiastic response from both faculty members and students.

The coordination of the program was led by Dr. Abida Quanser, NSS program officer, and Assistant Professor in the Department of Islamic Studies. Dr. Abida extended a warm welcome to the faculty and students, urging them to actively participate in the program and take the pledge to contribute to the nation-building endeavor under Viksit Bharat @2047.

Dr. Mairaj ud Din Shah, serving as the Caretaker Principal, emphasized the significance of the Viksit Bharat initiative to both faculty members and students. He underscored that Viksit Bharat@2047 represents the vision of the Government of India to transform the country into a developed nation by 2047, marking the centenary of its independence. This vision encompasses multifaceted development, including economic growth, social progress, environmental sustainability, and good governance. Dr. Shah stressed the vital role that the youth, particularly those from colleges, universities, and other institutions, play in contributing to this nation-building mission.

Several faculty members delivered lectures aligning with the objectives of Viksit Bharat @2047:

1. Dr. Ifat Bashir, Head of the Department of Sericulture, delivered a lecture on silkworm rearing and its allied aspects.

2. Dr. Suzana Bashir, Assistant Professor of Botany, presented on mushroom cultivation: turning waste into health.
3. Dr. Tanveer Ahmad Lone, Assistant Professor of Computer Science, addressed the audience on artificial intelligence.
4. Dr. Bilal Ahmad Bhat, Assistant Professor of Physics, spoke on renewable energy resources.
5. Dr. Sheeraz Ahmad Tantary, Head of the Department of BBA, discussed the relevance of salesmanship in the present scenario.

The program concluded successfully with a vote of thanks delivered by Dr. Wahid Ahmad Sheikh, Head of the Department of Persian. Dr. Sheikh expressed gratitude to Dr. Mairaj ud Din Shah (Caretaker Principal) for his guidance in organizing the program successfully. He also thanked the faculty members, students, technical staff, and NSS units of the college for their contributions to the program's success.
