Today on 9<sup>th</sup> of November 2023 the Electoral Literacy Club GDC Sopore organized awareness-cum sports activity (Volleyball match) for the UG students. The program was organized under the aegis of SVEEP (Systematic Voters' Education and Electoral Participation Program) and was conducted under the patronage of worthy college Principal Prof. (Dr) Salma Ahad. The program was intended to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections.

At the outset Prof. Shams Ul din Sheikh (HoD Department of Psychology) spoke about the importance of electoral literacy to sensitize students on their electoral rights and familiarize them with the electoral process of registration and voting. Following this, Dr Mehraj uddin Gojree (Department of Political Science) interacted with the students and sensitized them about the electoral participation.

Most of the students who are prospective voters were encouraged and motivated to enlist themselves in the electoral roll and exercise their franchise judiciously. During the whole event, learning and fun method was employed as activities and games are designed to stimulate and motivate students provoking them to think and ask questions.
