Press Release

On 2nd September 2023, the **Department of Information Technology and Computer Application** under the able leadership of the worthy principal **Prof. (Dr) Salma Ahad** organized the painting competition under the ambit, "**DIGITAL INDIA**". This event is another addition to the series of the activities being conducted in the ongoing digital week celebrations in the college campus. The painting competition generated a good response and large number of students participated in this art creative work with great enthusiasm. The students demonstrated their artistic skills and highlighted the different aspects of digital India services in their artwork. Finally, the students' paintings were evaluated by a panel of three expert judges. The names of the judges are listed as under

1. Dr Wahid Ahmad (H.O.D Persian)
2. Dr Ifat Bashir(H.O.D sericulture)
3. Prof Gh. Rasool War (Department of Urdu)

This report highlights the results of this creative activity as evaluated by the Judges. The worthy principal encouraged the students to participate in such programmes and appreciated the **department of Information Technology and Computer Applications** for conducting such events.

The result is given below

1st Position: Nasir Arif (3rd sem)
1st Position: Shameeema Bano (5th sem)
2nd Position: Nawsheena Akhter (5th sem)
3rd Position: Furqan Ayub Dar (5th Sem)

In the end the refreshment was also given to the participants.
