### Report on celebration of World population Day, Dated: 11/07/2023

PG Department of Zoology in collaboration with Women development cell of the college organized a programme on 11<sup>th</sup> July 2023 in connection with World population Day, 2023, in the PG smart classroom of the Department. The programme was attended by Worthy principal of the college Prof Salma Ahad and a gathering comprised of Convener and members of women development cell of the college, heads and professors of various departments of the college and UG students of different streams. The formal welcome address was given by Dr. Ifat Basheer (HOD Sericulture). Mr. Farooq Ahmad Mir, A.P Zoology delivered an exhaustive lecture to the gathering of professors and students on the topic entitled " World Population: Boon or Bane". In his deliberation, Farooq Ahmad Mir emphasized upon the population as boon. "The speaker disseminated meticulous information about various aspects of Human population at global and National level. The speaker invoked keen interest among students regarding human population as boon. The programme was concluded with vote of thanks by Dr Nowsheen A.P in Biotechnology of the college.
