REPORT

Today on 14th of November 2023 the Department of Political Science GDC Sopore organized awareness-cum event on the topic Fundamental Duties. The program was conducted under the patronage of worthy college Principal Prof. (Dr) Salma Ahad.

The fundamental duties are a reminder to every Indian citizen that while being entitled to all the fundamental rights, there are some duties that they need to perform and fulfill while working towards building a great nation. They must understand that rights and duties go hand in hand.

Fundamental Duties are embedded in Part IV-A of the Indian Constitution under Article 51A. Originally the duties were ten in number, later on by 86th Amendment in 2002, they were increased to eleven.

At the outset, Prof. Hilal Ahmed Wani (HoD Department of Political Science) spoke about the importance of Fundamental Duties to inculcate patriotic feelings and instill a sense of commitment and discipline among the young students. The fundamental responsibilities included both moral and civic obligations. Respecting the constitution, national flag, and national emblem, for example, is on the moral front line, while cherishing good values from the freedom struggle is on the civic front line.

The event was concluded with question answer session which made the event more informative and interesting.
