## **REPORT ON SAFER INTERNET DAY**

A one-day Awareness Programme cum Workshop on Safer Internet Day was organized at Government Degree College (GDC) Sopore today on 11<sup>th</sup> of February, 2025 under the global theme **"Together for a Better Internet."** The programme was attended by the staff and students of the college, aimed to educate them about internet safety, responsible digital behavior, and cyber security practices. The event commenced with a warm welcome address by the Worthy Principal Prof. Bashir Ahmad Parry, who highlighted the growing importance of internet safety in today's digital era. He emphasized that with the increasing use of online platforms for education, communication, and financial transactions, it is crucial to be aware of cyber threats, online scams, and digital ethics.

The main session of the programme featured a comprehensive lecture by Prof. Tanveer Ahmad Lone Assistant Professor, Department of Computer Applications. He began by stating that in today's world, no one can escape online platforms and the use of the internet. While it has numerous advantages, it also comes with disadvantages. Therefore, we must be aware of the risks and deceptions associated with its use. His lecture covered various aspects of internet safety, including Cyber Security Threats like Phishing, Vishing and Smishing. He also provided tips to the audience about importance of strong passwords, two-factor authentication and avoiding suspicious website and fraudulent links. He demonstrated practically what steps can enhance digital security for avoiding any kind of online deception.

The programme concluded with a vote of thanks by Prof. Sajad Ahmad Assistant Professor English. He thanked worthy Principal Sir his vision and encouragement which have always been instrumental in organizing such meaningful sessions. He also thanked students and Prof. Tanveer Ahmad Lone for his comprehensive lecture on internet safety . At the end he suggested the gathered audience to take learning's of today's programme with them and share it with their nears and dears to build a safer and better e-world where we can save ourselves from all deceptions and frauds.

The event successfully met its objective of promoting internet safety awareness and fostering a culture of responsible digital citizenship among students and faculty members.
