Event : Career Counselling Cum Interactive Session

Date: 22nd May 2025

The Department of Persian, in collaboration with the Career Counselling Cell and IQAC of the college, organized a "Career Counselling Cum Interactive Session" program under the patronage of Prof. Bashir Ahmad Parry, the worthy Principal of the college. The event drew an overwhelming response from faculty members and students.

The program commenced with the recitation of the Holy Qur'an by Afshana, a student of BA 2nd Sem (Persian), followed by Naat-e-Shareef in Persian by Tasleema Ahad, a student of BA 2nd Semester (Persian). Students from various streams and batches actively participated in the event.

Dr. Mohammad Aliyas moderated the event, encouraging students to work towards a better future. Dr. Aliyas welcomed the worthy Principal, guests, Speakers, participants from different semesters, and NSS volunteers.

Prof. Bashir Ahmad Parry, the worthy Principal, highlighted the significance of Persian language and literature in J&K UT, India, and abroad. He discussed job opportunities for Persian-knowing students and encouraged outgoing students to strive for a better future.

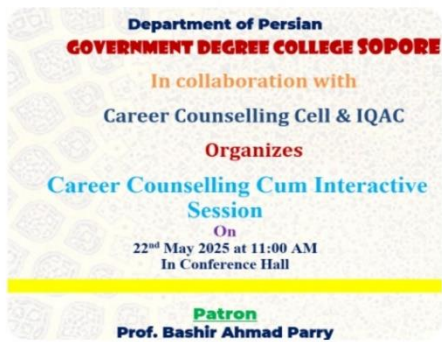

The keynote speaker, Dr. Wahid Ahmad Sheikh, Program Coordinator and HOD Persian, delivered a presentation on the theme, emphasizing job opportunities in government and private sectors for Persian-knowing students and scholars. He also underscored the importance of Persian language and literature in NEP-2020.

Dr. Wahid, further elaborated on research and PG Diploma programs in Persian language and literature in higher education institutions. He discussed the importance of Persian manuscripts, covering topics such as history, Sufism, ethics, prosody, geography, politics, and medicine.

He also highlighted that Persian-knowing students can secure jobs as interpreters, translators, tour guides, calligraphers, and more, and are also eligible for various posts in JKSSB, JKPSB, Revenue Department (NT & Patwari), Archives, and Museums.

The program was attended by esteemed guests, including Prof. Khursheed Ahmad, HOD Geology; Prof. Jaleel Ahsan, HOD Philosophy & Staff Secretary; and Dr. Iffat Bashir, HOD Sericulture and Member of the Career Counselling Cell.

The program concluded with a formal vote of thanks presented by Dr. Iffat Bashir, HOD Sericulture & Member of the Career Counselling Cell.
