- 3. Minutes of the Meeting to review and deliberate on the Key issues pertaining to Colleges of Higher Education in J&K chaired by the Financial Commissioner (Additional Chief Secretary, HED) on 11th April 2025.

Sir/Madam,

As you are aware, the admission to Fourth Year of the Four-Year Undergraduate Programme (FYUGP) under NEP 2020 is to be offered for UG Batch 2022. In this regard, after a series of deliberations and consultations with colleges and universities across J&K, the following general guidelines for admission are issued:

- On the basis of the Verticals offered in 4th year, colleges have been categorised as:
 - Colleges offering Honors (without Research) as per Annexure 'A'
 - o Colleges offering Honors with Research as per Annexure 'B'
 - All colleges shall issue detailed admission notifications and the admission process shall be conducted as per the following timelines:

S.	No	Activity	Timeline
1		Granting of admission to own enrolled/eligible students	up to 25th August
		by colleges offering Honors/Research Verticals	2025
2		Consolidation and Submission of Vacancies by colleges	26th August 2025
		offering Honors/Research Verticals on the Directorate	
		Portal for students of other colleges.	
3		Submission of College preferences by students who wish	27th August 2025 to
		to pursue their 4th year in other colleges.	28th August 2025
4		Granting of admission to eligible students of other	29th August 2025
		institutions by colleges offering Honors/Research Vertical	onwards

Government of Jammu and Kashmir

Directorate of Colleges

Higher Education Department

1. Granting of admission to own enrolled/eligible students by colleges offering Honors/Research Verticals

- Colleges listed in Annexure 'A' and 'B' shall complete the admission process in 4th year Honors with/without Research for their own enrolled eligible students as per the specified timelines.
- For colleges offering the Research Vertical, the total intake capacity of the majors may be fixed at 40 or higher as per the availability of resources and the norms of the affiliating university.
 - For each subject offered under the Research mode, the respective class cohort shall be equitably divided between two research supervisors assigned to that discipline to ensure rationalised supervisory responsibilities and a more focussed guidance to the students.
 - In view of the immediate admission process, the research supervision capacity needs to be strengthened without making transfers. For the same, in case a host college has only one faculty member with a PhD in a research major, a faculty pooling mechanism between colleges having geographical proximity needs to be established for optimum utilization of PhD qualified resources. Under this arrangement, a 1+1 model will be operationalised whereby one additional PhD faculty member from a nearby college will be temporarily deployed to work in tandem with the host institution's existing PhD faculty member.

1. Consolidation and Submission of Vacancies by colleges offering Honors/Research Verticals on the Directorate Portal

 Colleges listed in Annexure A and B shall prepare a list of vacancies available in both verticals with them for granting admission to students of other colleges and submit the same on the Directorate Portal as per the timelines specified.

2. Submission of College preferences by students who wish to pursue their 4th year in other colleges

- Colleges not offering the 4th year Honors or Research verticals, and/or colleges where enrolled eligible students wish to pursue their 4th year in other institutions, such colleges will **notify** and obtain a list of college-preferences from their enrolled students.
- Students and admission convenors will refer to the college/subject-wise list of vacancies available on the Directorate Portal for submitting the preferences.
- The colleges shall upload the details of such students including their submitted preferences on the Directorate Portal as specified in the timeline table.

Government of Jammu and Kashmir

Directorate of Colleges

Higher Education Department

3. Granting of admission to eligible students of other institutions by colleges offering Honors/Research Verticals

- This list of preferences submitted by students across all colleges of J&K shall be shared with the colleges offering 4th Year in Honors/Research verticals, for consideration towards grant of admission.
 - Such colleges shall grant admission to eligible students for their preferred 4th year vertical as per the availability of vacancies.
 - In case the number of applicants for a particular major exceed the number of vacancies available, such colleges shall grant admissions on the basis of merit obtained by the candidates up to the 6th Semester.
 - Students should regularly check the websites of their preferred colleges for further information regarding their admission process.
 - Colleges should also intimate the candidates via phone for expediting the admission process.
 - This process shall be carried out within the timeframe as specified in the timeline table.
- Students willing to opt for 4th Year in either of the two verticals need to fulfil the eligibility criteria strictly as laid down by the respective affiliating universities/autonomous colleges.
- The minimum batch strength of a Major with or without research shall not be less than 10 students in any case.
- All guidelines issued by the affiliating universities regarding the 4th year as well as the Intra and Inter-University Migration criteria should be strictly adhered to.
- o In case the Minor field of study of a student is not offered by the college to which they are migrating, the colleges can: (a) Collaborate with a neighbouring college for offering the minor, or (b) offer blended/hybrid delivery using prescribed MOOCs or University-approved online modules in consultation with the Board of Studies.
- The list of colleges and programs may get updated as and when required and the same will be notified on the Directorate Portal.
