Report on Cleanliness Drive held on 8th of May 2026.

Where There is Cleanliness, There is Health, Harmony, and Godliness

A special cleanliness drive was organized in the college campus on 8th May 2026 under the aegis of the Nasha Mukta Bharat Abhiyan with the objective of promoting cleanliness, environmental awareness, hygiene, and social responsibility among students and staff members.

The programme commenced at 11:00 AM from the front park of the main building. The cleanliness drive was led by the Incharge Principal, Prof. Zahoor Ahmad Shah, along with senior faculty members, who actively supervised and participated in the programme. Their guidance and presence greatly encouraged the students and staff members to participate enthusiastically in the drive.

The programme witnessed active participation from students, teaching faculty, non-teaching staff, Local Fund Employees, NSS volunteers, NCC cadets, members of the College Landscape Committee, and the College Sanitation Committee.

During the drive, different areas of the campus including lawns, pathways, parking areas, surroundings of classrooms, and common spaces were thoroughly cleaned. Plastic waste, unwanted materials, and litter were collected and disposed of properly to ensure a neat and hygienic environment within the college premises.

The drain behind the main college building was also thoroughly cleaned during the drive to prevent mosquito menace and avoid water logging in the campus area. The participants worked collectively with dedication and commitment to make the campus clean, green, and healthy.

The programme was coordinated by the Nodal Officer of the Nasha Mukht Bharat Abhiyan, who appreciated the active involvement and collective spirit shown by all participants. The drive highlighted the importance of cleanliness and encouraged students to adopt hygienic practices and environmental responsibility in their daily lives.
