A painting competition was organized by the Department of Environmental Sciences in collaboration with NSS at Government Degree College, Sopore on the occasion of Earth Day on April 22, 2026, with the aim of promoting environmental awareness among students.

The event witnessed enthusiastic participation, with a total of 15 students showcasing their artistic talents. The participants created insightful and creative paintings reflecting various environmental issues such as climate change, pollution, conservation of biodiversity, and sustainable practices. The competition provided a meaningful platform for students to express their concern for the environment through art.

The entries were evaluated by a distinguished panel of judges comprising:

- * Dr Anees Fatima, Department of Botany
- * Dr Gazala Yousuf, Department of Zoology
- * Dr Mudasar Basu, Department of Education
- * Dr Nighat Parveen, Department of Biochemistry

The judges assessed the paintings based on creativity, relevance to the theme, originality, and overall presentation.

After careful evaluation, 1st, 2nd and 3rd positions were awarded to the best entries. The winners were honoured with certificates in recognition of their efforts and artistic excellence.

The competition concluded successfully, leaving a strong message about the importance of environmental protection and the role of youth in building a sustainable future.
