Hands on workshop on She box Portal and Action Taken Report

In alignment with the National Education Policy's focus on safe and inclusive campus environments, ICC-POSH GDC Sopore has organised a series of programs aimed at raising awareness about the POSH Act, 2013.

1. In line with the above-mentioned objective, under the patronage of the Principal in charge, Prof. Zahoor Ahmad Shah, the ICC-POSH conducted a hands-on workshop on the She box Portal in the smart lecture hall of the Botany department on 30th April, 2026 at 12 pm. The workshop was attended by female as well as male faculty and students. The opening remarks of the workshop were given by Dr. Shaista Qadir (Presiding Officer ICC) where she deliberated on the history and provisions of the POSH Act. The PO madam reiterated the zero tolerance policy towards offenders under the act. She highlighted that She-box portal is a technical necessity to foster a campus culture where safety is intrinsic and harassment is non-existent. The Nodal Officer POSH Dr. Amira Wali inducted the students through the process of complaint registration on the online portal. The workshop provided a step-by-step walkthrough of the digital interface used by the Ministry of Women and Child Development.
2. As desired by worthy Director Higher Education J&K, Prof. (Dr.) S. Ajaz Bashir, banners regarding the sigma and she-box portal have been put up at the college premises at various places and the students have been made aware of the contact persons if they wish to report any incidents.
